EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Lee J. Fleckenstein on 1/28/10.

The application has been amended as follows:

In claim 1, line 2, after "consisting", please delete --- essentially---.

2. The following is an examiner's statement of reasons for allowance:

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 1/21/10 has been entered.

Applicant's amendment to claims 1, 7, 15-16, and the addition of claim 21 is acknowledged. Currently, claims 1-11,

and 13-21 are pending in this application. In view of applicant's and examiner's amendment, previous 103 rejections of record are hereby withdrawn. Closest prior art of record, Albrecht et al. (US-887) and Schinabeck et al. (US-760) disclose copolymer systems having monomers in excess of the recited three components. The instant transitional phrase "consisting of" now precludes prior art additional monomers. Accordingly, the instant invention as defined by claims 1-11, and 13-21 is allowable over prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Helen L. Pezzuto whose telephone number is (571) 272-1108. The examiner can normally be reached on 8 AM to 4 PM, Monday thru Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, David Wu can be reached on (571) 272-1114. The fax phone number for the organization

where this application or proceeding is assigned is 571-273-8300.
